Congregation Ohav Shalom

Summer 2010/ 5770

Dear Parents,

We look forward to celebrating the Jewish New Year with you and your family.

As you know, providing youth programs during the High Holy Days is an enormous, but vital undertaking and we need your cooperation to make it successful. Our goal is to provide a warm, caring and safe environment for your children during High Holiday Services. We offer several options which will allow all children to actively participate in services at a level that is comfortable for them and for you.

Please see the reverse side of this letter, which has the registrations and fees associated with the various youth programs and childcare options available to you. Please note that there is a firm deadline of August 27th for your registrations and payment, if applicable. This deadline will allow us to plan accordingly for your children's needs in terms of staffing and lunch preparation. In addition to any child care fees, we encourage each family member to sign up as a volunteer to help make our programming successful and consider making a donation to the synagogue to help offset the costs of our youth programming and childcare. You will find a volunteer sign-up section on the registration form.

If your child will not be participating in a youth program, we ask that they sit with you in the Main Sanctuary. For your child's safety and in keeping with the solemnity of the occasion, please do not permit your child to congregate or run around in the hallways, library or outdoor areas adjacent to the building.

We will be happy to answer your questions and concerns about child care and youth programs during the High Holidays. Please call Nancy at 489-4706, ext. 10.

Shana Tova.

Sincerely,

Jeff Cohen
President
