

# Congregation Ohav Shalom

## College Outreach 2010- 2011

The College Outreach Program exists to keep the college-aged students of our congregants connected to our synagogue and to Jewish life. Several times a year, including the New Year, Chanukah, Purim and Passover, participants receive packages from Ohav Shalom containing Jewish holiday snack foods and materials. Rabbi Ornstein communicates regularly with our college students by e-mail, and during December break a College Outreach "Shabbat Lunch with Rabbi Dan" is held.

The cost of participation in Ohav Shalom's 2010-2011 College Outreach Program is \$65 for members and \$75 for non-members per student for domestic shipments (call for International pricing). This fee helps to defray the cost of the packages and mailings. Please complete and return this form to the synagogue office with the fee enclosed. **If you do not know your child's college address please notify the office when you have the information at 489-4706, ext. 10, or email: [nancy@ohavshalom.com](mailto:nancy@ohavshalom.com).**
